

PARENT PARTNERSHIP ORGANIZATION

“Making Disciples”

August, 2010

Welcome to the 2010-2011 School Year!

It's exciting to begin another school year with you. Your partnership is important to everything that happens at St. John's. So we are so glad you are here.

The PPO exists to support St. John's in five specific areas: parent education, fundraising, tournament operations, hospitality & fellowship, and classroom support. Parent partners are needed in each of these areas. So please contact one of the board members to volunteer your services.

Each year the PPO provides over \$20,000 of support for the educational ministries of St. John's. That means the PPO efforts directly impact each school family by providing resources that would otherwise increase the cost of tuition. Examples include classroom cabinets, sporting event entry fees, uniforms, officials, transportation for field trips, classroom supplies, and special ceremonies.

Over the next several weeks you will be receiving more specific information regarding programs & events. Now is the time to make a commitment to help.

Again, welcome to the new school year. We look forward to working with you and getting to know you.
