

St. John's Extends Divine Call to Dawn Oldenettel for School Administrator Position

Almost two hundred members of St. John's were present at the voters' meeting Sunday, January 8th for the prayerful decision to extend a divine call to Dawn Oldenettel, bringing an exciting culmination to the six month search. After hearing presentations from Interview Committee Chair Lance Roell, Committee member Kyle Newman, Pastor Jeff, and Congregation President Roy Peterson, the group unanimously voted in favor of Mrs. Oldenettel's selection. The excitement was noted by many in attendance. Appreciation was also expressed for the information shared, both verbally and in written form. You may find the attached documents helpful as you get to know Mrs. Oldenettel. The prayers spoken at the meeting were another example of the dependence upon God evident throughout the process. Thank you for keeping Dawn, her husband Ron, Zion Lutheran School, and St. John's in your prayers.

One of the most poignant moments of the meeting came about when President Roy Peterson expressed his personal appreciation for St. John's present Principal, Mr. David Kellerman. The extended standing ovation for Mr. Kellerman that followed communicated the love felt by many for Mr. Kellerman's wonderful leadership.

Call documents have been mailed to Mrs Oldenettel and we hope to receive her prayerful decision by January 22nd. Your ongoing prayers are most appreciated as we connect, care, and share in Christ!

In Christ,

Pastor Jeff
